To All Teamsters Local 952 Coach Operators Employed at OCTA

Dear Brothers and Sisters:

After more than 40 negotiating sessions, mediation by the Federal Government and the State of California it does not appear that OCTA is willing to negotiate a collective bargaining agreement that protects the standard of living of our members and their families.

We have negotiations scheduled for Thursday, July 5th and Friday, July 6th. In the event that we do not reach a tentative agreement OCTA will be struck by Teamsters Local 952 at 12:00 a.m. on July 7, 2007. We assure you that the negotiating committee will work very hard to achieve a reasonable and fair collective bargaining agreement. We urge you to look through the enclosed documents and if you have any questions, contact your stewards. For updates we also urge you to contact the hotline at 714-740-6231 or the website at www.teamsters952.org.

We expect **100%** solidarity and any members that do not want to abide by our Constitution and Bylaws should take appropriate action and go financial core.

In the event of a strike you should report for picket duty on your regular work schedule at which time you will be scheduled for subsequent picket duty.

If you have any questions, please contact your Steward or Business Representative Donna A. Metcalfe at 714-740-6235. We want to thank you and your families for your support of the Teamsters Union.

Fraternally,

Patrick D. Kelly
