

## **OCTA BUS RIDER ALERT**

**TO: OCTA BUS RIDER**

**FROM: YOUR OCTA COACH OPERATOR**

We always enjoy taking you to your job, your school, the grocery store, your doctor's appointment or just to visit relatives or friends. But this time it is we that need to travel to a very important destination.

We need your help. OCTA wants to reduce the quality of life in the region. Because of inflation our standard of living is continuing to deteriorate. OCTA's latest offer would make matters worst. We are fighting back.

We need your support. We are asking you to please call any of your elected officials (Mayor, City Council, Board of Supervisor, Assembly member, Senator, etc.).
